- Your participation supports our mission to provide a healthy living environment, quality of lifestyle, support services and training to put Pinellas County lower-income residents on the road to self-sufficiency, financial stability and self-respect.
- Our Fair Housing Counseling & Housing Placement & Assistance Program helps place and keep families and individuals in homes, thus preventing homelessness through placement services, counseling, and financial assistance.
- Our Household Budgeting seminars help provide training and materials so that families and individuals can gain control of their finances and improve their quality of life.
- Our First Time Homebuyer seminars help families and individuals become homeowners, which has long-lasting benefits for them and for the community.
